Research                       Dissemination                       Other  
 Training                               Technology Development

Project idea: Citizens driven agenda as a bases for research and innovation

Project description: Use the problems and issues that citizens have to drive the research and think tank work, and provide government ( central and local ) with innovative evidence based research solutions

Already experience as a Coordinator:  yes  no

As a Partner:  yes  no

If "yes", which project:

Other partners in consortium already identified (with countries):

## 2) TARGET COORDINATOR / PARTNER SOUGHT

**Organisation details:**

<input checked="" type="checkbox"/> Higher education / university	<input type="checkbox"/> Industry / SME
<input type="checkbox"/> Research institution	<input type="checkbox"/> Other
<input checked="" type="checkbox"/> NGO	Please specify:
<input type="checkbox"/> Education	

**We are looking for following Expertise / Competencies:**

## 3) CONTACT DETAILS

Contact Person:

Name: Nevila Xhindi

Ms  Mr

Organisation: mediterranean University of Albania

Address: Blv Gjergj Fishta, Nr 52, Tirana, Albania

Postal code:

City: Tirana

Country: Albania

Phone: ++355682056910

Email: nevila.xhindi@umsh.edu.al

Organisation web address: www.umsh.edu.al

Short profile of the Organisation: The Mediterranean University of Albania (MUA) was founded by Mesdheu Centre, as a non-profit organization. From the beginning of its activity has set as its main goal the education of students with a new spirit, which is so necessary for individual progress and the Albanian society. Today MUA is a leading university in Albania, is highly interested in developing Erasmus+ projects in the fields of social sciences and education; communication and public relations; economy and information technology as well as law.

MUA is constituted of elite academic staff (around 90-MSC/PHD/Prof.Asoc/Prof), which combines the experience of one generation with the vitality of another. A considerable number of professors are graduated from well- known European and American Universities and they are all dedicated on providing the students their experience.

The campus of the University is located in one of the favourite areas of Tirana and offers to the students a new, modern building, with the entire necessary infrastructure to develop a teaching process in the highest level.

MUA consists of three faculties: the Faculty of Economic Science: the Faculty of Law and International Relations and Faculty of Social and Political Sciences, which organize study programs based in Bologna process, for the first cycle "Bachelor" and the second cycle "Master of Science" and "Professional Master".

Teacher training and education science is one of the priorities of the Strategy for Development and Cooperation of the University.

Summary of Goals and Mission of Organization:

- 1) To contribute in the development of the higher education, qualitative university education and after degree program in the field of political science, international relationships, diplomacy and economic science.
- 2) Education with the best moral values and the development of scientific development in order to ensure the presence of specialists professionally capable with clear moral with an extend ahead the process of economic and social development

MUA is particularly interested for capacity building projects, credit mobility as well as strategic partnership for higher education.

MUA is a reliable project partner with experience in the management of European Commission funded projects and is committed to the actual project application based on teacher education and innovative methods in primary teachers' education.

**Date:** 29 Jan 2018

**The offer is valid until:** 30 March 2018
